**Home from Home - that's how we make you feel when you stay with us!**

The River House is a multifaceted accommodation on the Wild Atlantic Way located in the Northern Headlands in the town of Dungloe. Conveniently placed on the N56 and a two minute walk from a vibrant main street but with the sounds of the River to lull you, we make you feel like family with excellent customer service and care. On site free parking, free WiFi, Netflix, USB ports, emergency care packs - even laundry service and bike rental. Everything is designed to make your stay comfortable and worry free.

We are on hand to help you get the very best from the Wild Atlantic Way experience. Pointing you in the right direction to make memories you never dreamt of; to delve deeper into the area and to connect with nature and wander off the beaten track. If you want to try pulling your own pint of Guinness; climb a sea stack; ride along the beach; pet a lamb or make a loaf of Irish bread - then stay with us and we can help make it happen.

Nothing is impossible; we are here for you. See what we mean when we say we are 'Simply more than a B&B'

Anthea, Ken and team.
